MOTHERS CLUB HAS CHRISTMAS BUFFET

The Rochester Mothers' Club held their Christmas Buffet Party at the home of Mrs. Dana P. Wilkins, Snipatuit Road, Rochester. The buffet, comprising the member's favorite dishes, made a delightful and delicious menu. The Christmas motif was carried throughout the home with a decorated tree atop the grand piano, holly trimmed chandeliers and a Yuletide log, trimmed with greens and a miniature reindeer, provided a cheery centerpiece for the main table. Mrs. Wilkins, hostess, and Mrs. Norman Gingras served gingerbread and whipped cream for dessert. Mrs. Julien Weigel, Jr. poured. After the exchange of gifts a business meeting was held with Mrs. George Wood presiding.

FRIENDSHIP CIRCLE MEETING

A covered dish luncheon at noon in the Sunday School rooms and exchange of Christmas gifts featured the monthly meeting of Hilltop Friendship Circle.

Mrs. Marjorie H. Wilson, chaplain, led the invocation and routine business was transacted, including Christmas donations to worthy causes. Mrs. Ethel Morey, the Circle's representative on the Mattapoisett Nursing Home Guild, gave a report of the volunteer activities in behalf of patients at the Home. The Circle voted a donation.

Mr. Kunces stressed that the first fundamental necessary for a teacher to have is a love for people and especially for young people. He also stated that a good education is mandatory for a good government because we must have well educated people to make the right decisions for our government.

SPORTS AT ORRHS

The 7th and 8th grade boys participated the last three weeks in exciting games of soccer, tag football and basketball from 2:30 to 3:15 Some of the standouts were Frank Kelly and Stephen Heath to name a few. This program offers an excellent opportunity for boys in 7th and 8th grade to get experience through participation in organized school sports.

WHAT IS FORAM? -- Friends of Old Rochester, Arts & Music

FORAM was originally established as a service organization to work in complete cooperation with the School Committee, Superintendent and Principal of the High School, assisting the students and the Director of the music department. We intend to continue to do this. During the coming years, FORAM will gradually expand and become a service organization for the entire faculty, useful to any teacher who might need assistance in Special Activities.

Our main project for this year is to sponsor assemblies designed to acquaint all the students of Old Rochester Regional High School with various Art Media. The assemblies will be designed to bring enlightenment rather than entertainment, although the three programs planned at this time promise to be quite enjoyable.

Mr. Harlan Grant, noted Boston teacher and director, will give a lecture on the theater and its techniques. To illustrate his remarks, a second assembly will be held in which a group of his advanced students will present scenes

from the musical Oklahoma!.

At the third assembly, Mr. Jan Veen, director of the department of Modern Dance of the Boston Conservatory of Music, will give a lecture on the dance. Seven or eight of his advanced students will assist him and will give a short performance at the close of his lecture.

We hope to bring either an author or an artist to the school for a fourth assembly with the intention of keeping our programs varied, and as broad in scope as possible.

FORAM is now sponsoring a program at the High School, where each month a different painting by established artists are on display in the school foyer for the benefit of the students and any interested adults in this area.

This year the students, under the supervision of Mr. Zavan Mazmanian, music director, will produce their third annual musical, Carousel.

FORAM will lend whatever assistance is necessary to assure that this production will be every bit as successful as the previous shows Oklahoma! and Pajama Game.

FORAM can use the help and support of every interested adult in the towns of Mattapoisett, Marion and Rochester, who are anxious to see that youth of this area can have the opportunity of enjoying and understanding the Arts & Music.

Let's all get behind our beautiful Regional High School and dedicated teachers with our support.

Parents and friends, if you are unable to be an active member, do be a dues paying member.

Merry Christmas
